# The Sweetest Life

Join us on this journey and we will show you where the success of our company lies.

A leading innovative, creative and modern company, committed to satisfying the needs of the market from the quality, the service and the protection of the environment perspective.

In 1963 the Vidal family founded Vidal Candies, in the Spanish town of Molina de Segura, with a clear objective: to satisfy the needs of consumers worldwide.

With this as an ever present horizon, Vidal Candies soon became a pioneering brand in the manufacturing and marketing of confectionery products.

Currently, we maintain a surface area of more than 210,000 square meters of modern machinery designed to the manufacturing, stockage and shipment of confectionery products. We have a production capacity of 60 million units per day, which makes us the first domestic manufacturer of our sector.

The continuous improvement in our machinery and the increasing investment in resources, as well as in Research & Development, have turned Vidal Candies, into a leading pioneering company in techniques of new product development, packaging and design.

With regard to the creation of innovative products, Vidal Candies in 1997 was the first manufacturer of filled jellies, with the launch of our Jelly Filled Strawberries, which mirror the real image of a freshly picked strawberry. Vidal has also been a pioneer with the launch of innovative concept products, such as pectin filled marshmallow fizzy filled and juice filled bubble gums, sour coated and filled licorice, etc., Products with a high commercial value that have been accompanied by a major marketable success.

The creativity in packaging formats, flavors and textures; the innovation in designs and the continuous novelties launched in the market have made Vidal products a permanent success amongst consumers.

Thanks to its distribution network, Vidal is able to reach more than 350,000 points of sale in all of Spanish territory.

---

Outside our borders, Vidal sells its wide range of products in more than 80 countries throughout the five continents. We have subsidiaries in Germany (Vidal Deutschland GmbH), UK (Vidal Confectionery UK), France (Vidal France S.A.R.L) Sweden (Vidal Scandinavia), Italy (Vidal Italy S.R.L), Portugal (Dutlim Produtos Alimentares, Lda.), United States (Vidal Candies USA Inc.), Colombia (Vidal Colombia), Canada (Vidal Candies Canada), Polonia (Vidal Polska Sp.), Benelux (Vidal Benelux B.V.), Australia & New Zealand (Vidal Candies Oceania Pty Ltd), South Korea (Vidal Korea Co. Ltd.) and Japan (Vidal Japan K.K). This structure give us greater distribution of the VIDAL brand for all consumers to purchase, as well as a first-hand approach to the complexities and the uniqueness of each market.

In order to adhere to the specific tastes of consumers in each country, we adapt the development and presentation of our products with the objective of satisfying the consumers requirements.

To assure that our products offer the maximum sanitary standards and food guarantees, Vidal has achieved the most prestigious certificates of quality that commit to the determination and effort of all within our organization.

We were the first company in the sugar confectionery sector that obtained in Spain the Aenor Certificate for its System of Management of Quality as per the Regulation ISO 9001, and we also count with the Certification of the British Retailers Consortium (BRC) at its highest level as well as IFS.

Moreover, Vidal's Kosher products are certified by the International Organization KF Federation Supervisory of United Kingdom. Its KF distinctive has a wide recognition throughout the world and provides the buyer the assurance that the product has passed the most rigorous testing and meets the strict standards set by the maximum religious representatives.

At the same time, Vidal, in its concern for the environment, has taken steps towards the implementation of the Integral System of Environmental Management as per the Regulation ISO 14001.
